

Annual General Meeting and "Race, Identity and Belonging" Conference

Race on the Agenda hereby gives notice to its members that our Annual General Meeting (AGM) for the financial year 2016/17 is scheduled to take place on Monday 26th February 2018 at Resource for London, 356 Holloway Road, London N7 6PA.

Registration will be from 6pm and the formal AGM will begin at 6.30pm prompt. Refreshments will be provided.

A special conference "Race, Identity and Belonging", will follow the Annual General Meeting.

"Race, Identity and Belonging" conference

The event will have featured speaker Afua Hirsch who will be talking about Race Equality in the 21st century and her new book "Brit(ish): On Race, Identity and Belonging".

In this personal and provocative investigation, Afua Hirsch explores a very British crisis of identity. We are a nation in denial about our past and our present. We believe we are the nation of abolition, but forget we are the nation of slavery. We are convinced that fairness is one of our values, but that immigration is one of our problems. Brit(ish) is the story of how and why this came to be, and an urgent call for change.

The conference will take place from 7.15pm - 8.15pm at Resource for London.
