## Nations Under Occupation

We will summarize the Human Rights situation under occupation from Kashmir, Sri Lanka, Western Sahara, Afganistan, Southern Cameroons, Kurds

**11 SEPTEMBER 2018**  
**13:00 - 14:00 - ROOM: XXVII**

The Universal Declaration of Human Rights reflects upon the progress which has been made in the field of human rights since the Declaration's adoption, on December 10, 1948. The Preamble of the Universal Declaration of Human Rights emphasizes the need to respect human rights so that people will not be forced in the last resort to seek recourse to rebellion against tyranny. Self-determination itself is a human right and a prerequisite to the full enjoyment of other human rights. At the same time, the implementation of this right is often perceived by peoples as a mean to free themselves from oppression and tyranny. Many of today's armed conflicts are centered around claims for self-determination...
