

Sutton 4 Sanctuary and Sutton for Peace & Justice

invite you to a public meeting:

Refugees welcome here

**Why people flee their home country
Why we should offer sanctuary
and a welcome here**

Thousands of people are forced to flee their homes and face the perils of travelling across North Africa and the Mediterranean Sea to find safety in Europe - and some of them seek sanctuary here in Sutton.

Come to this meeting:
see a short film; hear the personal experience of a refugee from Eritrea who has settled in South London;
find out more and join the debate.

Friday 6 April

7.30–9.30pm, doors open at 7.00

Sutton Quaker Meeting House, Cedar Road, Sutton, SM2 5DA

There is no entry charge, donations will be taken on the night
